

Church Music Awards for Choristers under the patronage of the Bishops of Brentwood and Chelmsford

The Awards were established circa 1975 by Donald Coote, and ran with great success, until 1997, as Awards solely under the patronage of the Bishop of Chelmsford.

In 1998 the Awards became ecumenical with the Roman Catholic diocese of Brentwood and are now under the joint patronage of the Bishops of Chelmsford and Brentwood. The Awards are believed to be unique in this respect, and continue to be popular and to flourish across both dioceses.

I. BISHOPS' CHORISTER AWARD (validated at RSCM Silver Standard)

This Award, previously known as the Junior Award, has been validated by the RSCM at Silver Standard with effect from February 2005. It is open to candidates of all ages and voices.

Please note that the new syllabus contains some significant changes.

- Prospective candidates and their choir trainers should note that the Project required for Part 2 (Religious Knowledge) is to be submitted together **with** the application for entry.
- The examination is now in **two** parts, and not three. Part 1 (Music) includes both prepared and unprepared work and sight singing, aural tests and viva voce. Part 2 is now the Religious Knowledge element of the examination.

The Award is open to all choristers in church or school choirs within the area covered by the Roman Catholic diocese of Brentwood and the Anglican diocese of Chelmsford. This Award is also open to choristers of other denominations in this area and to individual church singers and cantors.

The purpose of the Award is to encourage musicianship, loyalty and a growing awareness of faith in choristers and to give a tangible recognition of such a standard. Candidates who attain this award *will also have gained the prerequisite for taking the RSCM Gold Award.*

Examinations are held twice yearly, usually in May and October / November, with the Awards Ceremony being held in January either in Chelmsford or Brentwood Cathedral.

As from 2012, there will no longer be any Training sessions, as for the last two years there has been no take up by prospective Candidates for these sessions.

As will be seen from the attached syllabus, candidates are expected to demonstrate their ability in singing, both prepared and unprepared work, aural and sight-reading tests and general musicianship. Part 2 requires a sound knowledge of all the aspects touched on in the syllabus. Examiners will be RSCM validated.

NB: Prerequisite for entry to RSCM Gold Award

Holders of the Bishops' Chorister Award (Junior) at Merit or Distinction level achieved in 2003 and 2004 no longer have the prerequisite for entry to the RSCM Gold Award since 31st December 2006.

2. BISHOPS' SENIOR AWARD

This Award currently will remain as heretofore. It is open to all candidates over 16 years of age. The syllabus effective from January 2001 remains in force. Special requirements, in test pieces and Bible readings, are reviewed each year, and the special requirements for this year are published on this website.

Successful candidates are presented with a certificate and are entitled to wear the Award's medallion. For both Awards, the certificate will also reflect whether the candidate has met the required criteria for Merit or a Distinction, as defined in the syllabus.

Entry fees are £20 for both the Bishops' Chorister Award and the Bishops' Senior Award. The current cost of a medallion is £15.

BISHOPS' CHORISTER AWARD

The purpose of this award is to encourage musicianship, loyalty, and a growing awareness of faith, in choristers, and to give a tangible recognition of the attainment of such a standard.

ADMINISTRATION

1. The award is open to all choristers in church or school choirs within the area covered by the Roman Catholic Diocese of Brentwood and the Anglican Diocese of Chelmsford. This award is also open to choristers of other denominations in this area, and to individual church singers and cantors.
2. There is no age limit on candidates for this Award. Candidates for this Award (validated at RSCM Silver Standard) are encouraged to complete 'Voice for Life' RED level as preparation for entry.
3. The examination should take about 30 minutes for each Part, with the time allocated to each section in proportion to the marks available. Candidates will be offered a warm-up time for Part One in the examination room prior to the commencement of the examination.
4. The examination is held twice a year in late Spring and late Autumn in Brentwood and/or Chelmsford.
5. Application for entry. Careful note must be made of the following requirements: Applications must be:-
 - i. made by the choir-trainer, in the case of choir choristers, who should give assurance with respect to regular attendance, diligent work, reliability, example to other choristers, and qualities of leadership. Candidates over the age of 16yrs can enter themselves or be entered by the choir trainer.
 - ii. endorsed by the Parish Priest/Minister. With regard to Part Two (Religious Knowledge), such endorsement is still required even if the tuition of the candidate has been delegated to another person.
 - iii. Supported by a parent or bona fide guardian, for candidates under the age of 16yrs, as declared by their signature. Candidates who are over the age of 16yrs can enter themselves, or be entered by the choir trainer. However, in both cases the reference from the parish priest or minister is required.

NB: On signing the entry form candidates, their trainers and representatives are deemed to be accepting the entry conditions and the examiners' judgements.

6. The cost of entry for each candidate is £20 and should be enclosed with the application form. Cheques should be made payable to "Bishops' Chorister Award".
7. It is now a requirement that candidates should provide their own accompanist. If there is a problem with this, the Awards Administrator should be informed as soon as possible.
8. The closing dates for entry for the examination in each year are 31st March for the Spring session and 30th September for the Autumn session. Please note these dates may be subject to variation, dependent upon the actual date of the examination fixed in a particular year. Late entries will not be accepted.
9. The completed project for the Religious Knowledge section must be submitted to the Administrator, as directed on the application form, at the time of entry. The Project will be assessed for presentation and neatness, and for the extent of its content in compliance with the syllabus, using the following minimum requirements:-
 - a. The Project must be securely and neatly bound; the candidates name and church must be on the front cover.
 - b. The Project must adhere to the syllabus requirements
 - c. The Project must be neatly arranged and legible.

This assessment will be carried out by a validated examiner, usually that one examining for the next session, and the Award Administrator Projects that meet these minimum requirements will be retained. Candidates are assured that, at examination, they will not be further questioned on presentation or neatness. However candidates will be questioned on the meaning and understanding of what they have written in the Project, as defined in Part Two section B.

The quality of presentation will, however, be commented upon in the 'General Remarks' box on the report sheet.

If the project does not meet the above minimum requirements then it will be returned to the candidate, with helpful and constructive comments, for revision. The candidate may then present at a subsequent session of examinations. An administration charge of £5 will be made and the balance of the entry fee returned.

10. An examiner's report will be prepared for each candidate, for which an A4 envelope stamped and addressed to the choir-trainer must be supplied. Examination results cannot be given over the telephone.
11. Successful candidates will be presented with their Award Certificate at the annual presentation service in either Brentwood Cathedral or Chelmsford Cathedral on a date to be notified to the candidates. Their names will be entered in the Awards' record book, which is displayed at the Award Ceremony. They will be entitled to wear the Bishops' Chorister medallion which can be purchased at the price indicated in the results letter.
12. All cheques should be made payable to 'Bishops' Chorister Award'.
13. Prospective candidates, together with those supporting their application, are encouraged to attend one or both of the Training sessions, as advertised, prior to each examination date.
14. Should there be any serious mitigating circumstances which might affect the candidate's performance at examination these must be made known to the Administrator as soon as possible before the examination in order that appropriate action if any, may be taken.

EXAMINATION REGULATIONS

The examination is in two parts-

i) **MUSIC - Performance**

- Sight-singing, ear tests, and viva voce.

ii) **RELIGIOUS KNOWLEDGE.**

1. The maximum marks for each test are shown against each test. In order to pass the candidate must achieve 60% of the available marks in each Part of the examination. Successful candidates will be classified as follow:-
Pass - at least 60% of the total available marks in each Part of the examination. (60 in Music, 30 in Religious Knowledge)
Merit - a Pass in both Parts and a total of at least 115 marks in both Parts obtained at one session
Distinction - a Pass in both Parts and a total of 125 marks in both Parts obtained at one session
2. Should a candidate fail in just ONE part, that part may be re-taken at not more than two subsequent examinations upon written application to the Awards Administrator. A small fee will be payable for a re-sit and this will be indicated in the results letter.
3. Candidates must bring to the examination one extra copy of all the prepared work, the hymn book, psalter, chant book, anthem, and Bible for use by the examiners, and the attendance notice to be given to the Administrator.
4. The project is a requirement of the Religious Knowledge section and is to be completed by all candidates. It should be submitted to the Administrator as directed on the application form. (Paragraph 8 in Administration section also refers)
5. If the prospective candidate suffers from dyslexia, the choir-trainer should make this known, in writing, at the time of application. Dyslexic candidates should provide documentation from an authoritative body: i.e. Educational Psychologist, or teacher with RSA (SpLD) Diploma. If the choir-trainer is made aware after the application has been submitted that a candidate is dyslexic, s/he should contact the Administrator in sufficient time prior to the closing date for the session of the examination. The related areas of disability may then be discussed and any appropriate allowances made for the individual concerned. Specific arrangements available for dyslexic candidates are detailed in the Award's Policy and Guidelines for Examining Dyslexic Candidates, available from the Administrator on request. Any special provision made for individual candidates will not jeopardise the integrity of the examination and, once made, the candidate will be assessed as found on the day of the examination.

6. APPEALS PROCEDURE

Choir trainers are asked to understand that, in the interests of preserving the value of the awards to candidates who win them, and to maintain reasonable equivalence with similar awards in other areas, it is necessary to set defined standards for succeeding in these awards. Unfortunately it is occasionally the case that a candidate, however well prepared, does not come up to the required level. It should also be remembered that, whilst examiners do their best to put choristers at ease, candidates may occasionally not perform as well as expected on the examination day. In entering for an award, the candidate and Choir Trainer are deemed to accept the judgement of the examiners. In exceptional circumstances appeals may be considered according to the following procedure.

1. Appeals must be made in writing to the Administrator by the person who entered the candidate, setting out in detail the grounds on which the appeal is lodged.
2. **UNDER NO CIRCUMSTANCES IS THE EXAMINER TO BE CONTACTED DIRECTLY.**
3. To cover expenses, appeals must be accompanied by a fee of £10 (the cheque to be made payable to Bishops" Chorister Award). In the event that the appeal is successful the fee will be refunded.
4. Appeals must be lodged within 7 days of receiving the results. This is to ensure that the circumstances of the examination remain fresh in everyone"s memory.
5. Appeals which simply question the mark awarded, without given grounds, will not be accepted. Two broad grounds for appeal which may be typically considered are:
 - i. the candidate being expected to do something which is outside the scope of the syllabus, or
 - ii. clear inconsistency between the written comments and the marks awarded.
6. If an appeal is received, it will be considered by the Administrator, the Chairman and the Examiner. One of two outcomes will result:
 - i. the mark originally awarded may be confirmed, or
 - ii. the candidate may be offered a re-examination with a different examiner at a mutually convenient time. The outcome of any such re-examination will be deemed final.
7. The Administrator will notify the outcome of the appeal, in writing, to the person who lodged the appeal. The target time for resolving appeals is 21 days from date of receipt.
8. In the event that the appeal outcome is 6 (i) above, a final appeal may be made in writing to the Chairman of the Bishops" Chorister Award (address on application) setting out in detail the grounds on which the appeal is lodged, no later than 7 days after receiving the outcome of the first appeal. The Chairman will appoint an appropriate independent adviser to assess the grounds for the final appeal. A response will be issued by the adviser, whose decision is final. If the appeal is successful a re-examination - without further leave to appeal - , or alternatively a full refund of the entry fee, will be offered. In the event that the Chairman is the examiner involved, then the Committee of the Bishops" Chorister Award will nominate an appropriate deputy.
9. Appeals will be considered only for candidates who have failed. No appeal will be considered regarding the level of mark awarded to a candidate who has passed.

SYLLABUS

Part One - Music

Performance

A. HYMN

Candidates should sing three verses (of their own choice and in their own voice part) from a prepared hymn - the verses having more than four lines. The third verse to be sung unaccompanied.

B. PSALM

- i. Prepare eight verses of a psalm to be sung to an Anglican double chant from a psalter of the candidate's choice, or
four verses with Antiphon of a responsorial psalm, or
up to eight verses and Gloria of a psalm to a plainsong tone.
- ii. Then to the same chant or tone sing four verses of a different psalm chosen by the examiner from the candidate's book.

C. ANTHEM, MOTET, CANTICLE, OR SERVICE SETTING

Candidates are to prepare the whole, of their own voice part, of one anthem, motet, canticle, or service setting specified in the music list for the respective year. Please note that a new list is produced at the beginning of every calendar year, and is therefore only effective for the two examinations of the year in which it is produced. The examiner will ask the candidate to sing all or part of the piece. Marks awarded will take account of the level of difficulty of the music, but more weight will be given to interpretation and musicality.

NB: COPIES OF ALL MUSIC MUST BE PROVIDED FOR THE EXAMINER. IN THE EVENT OF COPIES NOT BEING PROVIDED THE CANDIDATE MAY LOSE MARKS.

Throughout the above tests, the examiner will be looking for:

- a. an unforced quality of tone with consistent control
- b. good posture
- c. good breath control with the ability to sustain to the end of a phrase
- d. clear diction including good open vowel sounds
- e. accurate intonation
- f. rhythmic accuracy
- g. good expressive and dynamic contrasts
- h. evidence of comprehension of the text and mood of the piece

All of the above should produce a sensitive and musical performance, and evidence of a maturity of tone appropriate to the candidate's age and experience.

Musical Skills and Understanding

D. SIGHT-SINGING

The candidate will be asked to sing unaccompanied tests to a vowel sound. Before each test the examiner will play the key chord and first note, wait while the candidate looks through the music and then play once more the key chord and first note. The candidate will then be expected to sing continuously. More marks will be gained, the less assistance needed from the piano.

The tests will be, in their own voice part -

- i. a double chant in a major or minor key.

- ii. four bars of a hymn tune in a major key.
- iii. four bars of the lower part of a two part tune provided by the examiner, with accompaniment, within the candidate's vocal range. The examiner will first play the four bars of the tune to the candidate while the candidate follows the lower line, then give the starting note.

E. EAR TESTS

- i. clap the rhythmic pattern of a short melody; the examiner will play the passage twice.
- ii. sing a short melody; the key chord and passage will be played twice by the examiner.
- iii. sing an interval of a major or minor 3rd or 6th; perfect 4th or 5th or octave, above a given key note.
- iv. sing as requested by the examiner the lower, middle, or upper note of a triad, in root or first inversion., and then identify the triad as major or minor.

F. VIVA VOCE

The examiner will show the candidate a piece of music and ask questions which will test the candidate's understanding of some or all of the following:

major and minor key signatures up to five accidentals ,note values; time signatures, simple and compound,; some common Italian terms; letter names of treble and bass clef notes; musical signs.

The candidate will then be asked simple questions on repertoire, i.e. the candidate's chosen test piece. The questions will include:-

- a little knowledge about the composer
- the style of the period
- the meaning of the text
- an appropriate time for its use in Church.
- another piece by the composer
- another piece in the same style

Candidates for this Award (validated to RSCM Silver Standard) and their choir trainers are advised to refer to the section on repertoire knowledge, page 192- 214, in the Voice for Life Choir Trainers book (published 2004)), including some sample answers at RED level on pp 204 - 206. This material will be the point of reference for examiners.

The candidate's denomination and tradition will be taken into account in every part of this section.

The candidate will also be expected to have basic knowledge of the Bible, its content and order. Any translation normally used in the candidate's church is acceptable.

To enable this to be assessed the examiner will question the candidate accordingly. The project submitted will be of the standard required of the candidate's year in school or age .The examiner will be aware of the candidate's age.

The Project may be either handwritten or word-processed. It should contain a minimum of 12 pages of text, and be illustrated with drawings or photographs.

TOTAL SIGHT-SINGING AND EAR TESTS 100 (50)

RELIGIOUS KNOWLEDGE

The aim of this section is to try and help the candidate to relate to their experience of prayer, bible-reading, and worship, and structures in their local church to the church at large. The questions will emphasise the need for choristers to integrate these various elements, and to see their musical contribution in worship as an expression of their faith. The candidate's denomination and churchmanship will be taken into account. The examiner will not award marks for the individual sections, but will award an overall pass or fail.

The standard required for religious knowledge should be equivalent to adult membership of the candidate's own church.

Candidates must satisfy the examiner in the following three parts-

A. THE PRINCIPAL SERVICE

Candidates should be prepared to discuss and explain the shape and structure of liturgy practised in their own church. The discussion will centre on-

- i. Brief historic details about the liturgy.
- ii. The architectural and liturgical design of the church building.
- iii. The role of the person presiding at the liturgy.
- iv. The role of the organist, choir director, or cantor in the liturgy.
- v. The particular role of the choir or music group including the origin of musical items which have a regular place in the liturgy.
- vi. The role of the congregation/assembly.
- vii. The format of the liturgy, including some knowledge of seasonal variations, and suitable hymns/songs.
- viii. The robes/vestments of the clergy and choir - their origin and purpose.

B. BIBLE

The candidate's knowledge of the Bible will be tested verbally by the examiner. The candidate should have some knowledge of the following areas-

- i. Division of the Bible into the Old and New Testaments, and an understanding of their general structure.
- ii. The existence of the Apocrypha.
- iii. The Psalms - their use and significance in Christian worship.

Candidates should prepare a reading (any authorised translation) selected from the list of passages for this award, and having read it aloud to the examiner, be prepared to answer questions about its meaning.

C. THE CHURCH AND THE SACRAMENTS

The candidate will be asked questions about prayer and the sacraments (sensitivity will be shown with regard to the candidate's denomination and churchmanship). The candidate will be asked about the Christian way of life and will be expected to demonstrate a knowledge of the structures of the Christian Church.
